Frequently Asked Questions

Why have I been invited to contribute to this FAFSA® form?

You have been invited to the student's form to provide personal and financial information that will help determine their eligibility for federal student aid.

Answers on the student's FAFSA form have indicated that you will need to provide additional information as a contributor to help determine their eligibility for federal student aid.

Does contributing to the form mean I'm responsible to pay for college?

No! Providing your consent and personal and financial information doesn't make you financially responsible for the student's education costs.

What do I need to complete my section(s)?

You may need the following documents or information: your tax returns; records of child support received; current balances of cash, savings, and checking accounts; and net worth of investments, businesses, and farms.

What kind of information will I be asked to provide?

You'll need to provide consent for the student to be eligible for federal student aid, including grants and loans. With your consent, we can obtain your federal tax information automatically from the IRS to help you complete your section of the student's FAFSA form. You'll also need to provide personal and financial information.

What happens after I complete my sections?

After you submit your required sections and the student's FAFSA form is processed, the student will receive a FAFSA Submission Summary. It will include the Student Aid Index (SAI), a number used to determine federal student aid eligibility. Schools will use the SAI to create a financial aid offer that explains the types and amounts of aid they are offering the student.

Provide Consent or the Student Will Be Ineligible for Federal Student Aid

Summary

Your consent is needed to retrieve and disclose federal tax information (FTI). With your consent, we can obtain tax return information automatically from the IRS to help you complete your section of the student's FAFSA form. If you don't provide consent, the student will not be eligible for federal student aid, including grants and loans. You must provide consent even if you didn't file a U.S. federal tax return or any tax return at all.

- Get your 2022 tax return information for the 2024-25 FAFSA form.
- Tax return information is required to complete the FAFSA form.
- FTI is used to determine the student's eligibility for federal student aid.

Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By accepting below, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C, or Part D of Title IV of the *Higher Education Act of 1965*, as amended.
- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 6103(i)(13)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the *Higher Education Act of 1965*, as amended.
- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury, pursuant to 26 U.S.C. 6103(i)(13)(D)(iii), which includes:
 - institutions of higher education participating in the federal student aid programs authorized under the *Higher Education Act of 1965*, as amended;
 - state higher education agencies; and
 - scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.
- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.
- The redisclosure of my FTI to any future 2024-25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child's FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.
