I HONESTLY CAN'T PICTURE MYSELF WITHOUT NDA.

PREPARED FOR LIFE AND BEYOND

JAYLA YOUNG '17

AFTER SHADOWING...I KNEW NDA WAS THE RIGHT PLACE FOR ME.

Each young woman who comes to Notre Dame Academy has her own story, and her own unique path to and through NDA.

Jayla Young '17 is no exception. When Jayla was a young child, she attended Elmhurst Elementary through 5th grade. But both she and her parents knew that Catholic schools would provide her with more opportunities for growth and success in middle and high school.

So, she attended Gesu School from 6th through 8th grade, and then made NDA her home for the next four years.

"I knew NDA would be my home for high school, even though I didn't know many older girls at NDA," shares Jayla. "But after shadowing for just one day, I knew NDA would be the right place for me."

Jayla saw herself reflected in NDA's diverse student body, helping her feel at home. "NDA also pushed me academically in classes like Spanish and IB [International Baccalaureate] Biology," she says. "Those courses—and the block schedule that mirrors college—prepared me well for Miami University."

While Jayla received Ed Choice Scholarships from the state of Ohio to attend NDA, her experiences with NDA's Work Study program also helped prepare her for life beyond high school.

NDA LET ME CHALLENGE MYSELF ACADEMICALLY.

While at NDA, Jayla's family received tuition assistance in exchange for their participation in Work Study. She worked after school and over the summer to clean, prep, and rearrange classrooms in the NDA building for the next day of classes.

Jayla's parents also took part in NDA's Work Study program to help fund her tuition, working in the dining hall and helping with lunch service and cleanup. "My mom knew all of my teachers and made lifelong friends working in the NDA kitchen, so we not only benefited from tuition assistance, but also developed relationships — and even had fun," she explains.

Jayla enjoyed her high school years so much, she came home to work at NDA in 2023, first in the school's Main Office, and now as NDA's Community Relations and Summer Academy Director. "I honestly can't picture my life without NDA," she reflects.

## Supporting young women

Mr. Lou Alesi and his late wife, Barbara (Sullivan) Alesi '54, established a scholarship in their name in 2000, with the intention to support young women in their college or university studies after their graduation from NDA.

When Barbara graduated from NDA in 1954, she had hoped to attend nursing school but was unable to do so because she and her family could not afford the cost. She established the scholarship at NDA so girls in the future would have support to pursue and ultimately achieve their educational goals.

Since 2000, the Alesi Foundation Scholarship has been awarded to more than 25 graduating NDA students who intend to pursue a career in science or medicine.

### Providing for the future of NDA.

The NDA Sunflower Society gives distinguished honor to those who have chosen to provide for the future of Notre Dame Academy through a planned gift of a bequest, a trust, insurance policy, or other means.

These gifts are important to securing the mission and legacy of Notre Dame Academy by providing long-term support for NDA's mission of educating young women to be intellectually curious, passionately faith-filled, and socially responsible servant leaders.

To explore your options or share your intentions, please contact Tolani Afolabi, Vice President of Advancement, at [tafolabi@nda.org](mailto:tafolabi@nda.org) or 419.725.1290.

## PROFESSIONAL ACHIEVEMENT AWARD

KRISTINA (KERSCHER) KENEALLY '87

Kristina is a respected Australian leader with a distinguished career in politics, media, nonprofits, and athletics. She graduated from the University of Dayton with degrees in Political Science and Religious Studies before moving to Australia in 1994 and joining the Labor Party. She was later elected to the Parliament of New South Wales and, in 2009, became the state's first female Premier. She also served as an Australian Senator, Deputy Leader of the Labor Party in the Senate, and Shadow Minister for Home Affairs and Immigration.

Beyond politics, Kristina led Basketball Australia, overseeing Olympic and Paralympic programs and the NBL and WNBL leagues. She credits her time at NDA—especially soccer and basketball—for building confidence, teamwork, and leadership.

Kristina is now CEO of the Sydney Children's Hospitals Foundation. She and her husband, Ben, live in Sydney and have two grown sons and a daughter, Caroline, who was stillborn. A former Patron of Stillbirth Foundation Australia, Kristina is widely recognized for her advocacy to reduce stillbirth.

## SERVICE LEADERSHIP AWARD

AMANDA (KURT) KATO '04

Amanda is an entrepreneur and community advocate dedicated to helping others in northwest Ohio. With an upbeat, empowering approach, she inspires people to achieve lasting wellness. She opened CbK Boutique Fitness to help women reach their goals—not just through fitness, but by building mindset, confidence, and self-worth, values rooted in her experience at NDA.

Through outreach and fundraising, Amanda has supported women facing challenges such as breast cancer, stroke, MS, hunger, obesity, and negative body image. Her leadership earned her the YWCA's Women on the Rise Award.

After shifting from fitness to support her husband, Kengo, she became Director of Operations at Kengo Sushi and Yakitori, helping grow the business from one to four restaurants.

A champion of Downtown Toledo's revitalization, Amanda continues to serve her community with purpose and heart.
